About the Workshop:

All parents are concerned about the well-being of their children as they face the challenges of separation and divorce. This workshop helps parents understand their children's needs at this time, and offers specific suggestions for creating the most beneficial post-divorce parenting relationships. This presentation is an approved alternative to the SMILE program presented by the Friend of The Court.

UCCF - Finding solutions for each family's difficult challenges.

The University Center for the Child and the Family (UCCF) is a unit of the Institute for Human Adjustment (IHA) at the University of Michigan and is committed to providing quality mental health services for children and families in the community. UCCF offers evaluations and therapy in such areas as learning disabilities, emotional and behavioral concerns, grief and loss, and relationship issues for couples. UCCF is a Blue Care Network provider including Premier Care and GradCare. We also accept other insurance policies, and sliding scale fees are available.
